Message:

Dear Mr. Robert de Hilster:

Please finish completing the Transmitter Section of application 0090-EX-ST-2004 by entering the geographical coordinates of the center point of mobile operations and the radius in kilometers of mobile operations from that center point.

Also, enter the peak effective radiated power and the three alphanumeric characters of the emission designator that describe the type of modulation which can be determined using the Code of Federal Regulations (CFR) 47, Part 2.201.

The items indicated above must be submitted before processing can continue on the above referenced application. Failure to provide the requested information within 30 days of February 19, 2004 may result in application dismissal pursuant to Section 5.67 and forfeiture of the filing fee pursuant to Section 1.1108.
