Message:

We would like to withdraw this application: 0003-EX-PM-2020

We accidentally set up two applications.

0003-EX-PM-2020 and 0025-EX-PN-2020

We have been granted the site authorization for:

Application Filing #: 0025-EX-PN-2020

We want to keep: 0025-EX-PN-2020

We want to withdraw this one: 0003-EX-PM-2020

We apologize for causing extra burden to the FCC.

In summary, we no longer need application filing: 0003-EX-PM-2020
