DISMISSED-WITHOUT PREJUDICE

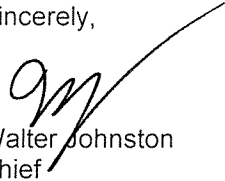

Dear Kenneth McLeod,

This refers to application, File No. 0050-EX-ST-2012, for an experimental authorization.

You are advised that the Commission is unable to grant your application for the facilities requested. Considering the licenses that have been granted for spread spectrum experimentation, the purpose intended for such experimental licenses has been fulfilled. Further requests for this type of application are best accomplished by filing a petition for rulemaking seeking permission for this application within the authorized frequency bands.

Responses to this correspondence must contain the Reference number : 17187

Sincerely,

Walter Johnston
Chief

Electromagnetic Compatibility Division
