

Special Conditions Issue

KeyW Corp

09/03/2019

File Number: 0537-EX-ST-2019

Call Sign: WO9XIO

Special Conditions 3 and 4 are problematic for the testing we are trying to perform. The radar system we are developing, and testing is an aircraft tracking radar and needs to point above the horizon. Special condition 4 does not list a sub band like condition 3. What can we do to get the conditions removed and/or modified to fit our testing needs? I've tried to call but haven't had any luck so far.

Thanks,
Nathan Binkley
