Message:

Dear Mr Kennnedey,

I have entered Yes on the application as directed, it seems to have taken this time. Also I added some further narrative to the experiment description for clarification purposes and uploaded the document as an attachment.

Sincerely,

Tom Cokenias

Dear Mr. Thomas Cokenias:

If this experiment is for the exclusive purpose of developing radio equipment for export, please answer that question with as Yes in the application.

Please select "Fixed/Base" for the fixed locations and "Mobile" for the mobile locations as opposed to selecting "Base and Mobile" for all locations. In the future, please try to consolidate a fixed and mobile operation under one antenna using the "Base and Mobile" option.
