Date: March 25, 2014

Subject: FCC File No. 0128-EX-PL-2014

Message:

Please proceed without the following bands 225 – 328.6Mhz and 335.4 – 399.9Mhz.

We anticipate the contract will be awarded next year, at that time we will amend the license to include the above listed bands.

Thank You

Gary Amaral
