

**TRK 190604 (NG T190652) Summary**

| Attribute             | Record Parameter |
|-----------------------|------------------|
| Serial Number         | NG T190652       |
| Frequency             | M1030.0000       |
| City                  | SAN MATEO        |
| State                 | CA               |
| Transmitter Radius    |                  |
| Transmitter Latitude  | 373054.00N       |
| Transmitter Longitude | 1222244.00W      |
| Antenna Height        | 0000             |
| Receiver Latitude     | 373054.00N       |
| Receiver Longitude    | 1222244.00W      |
| Service Type          |                  |
| Equipment Type        | C,HEP 83623A     |
| Antenna Type          |                  |
| Flight Level          |                  |
| Runway Number         |                  |
