Subject: FCC File No. 0149-EX-RR-2011

I have coordinated the use of the frequency band 1350-1390 MHz with the Eastern Region (AEA) and Southwest (ASW) FAA Regional Offices. The NGT numbers are as follows:

NG T110210 from the Southwest (ASW) FAA Regional Office. Received from Kimberly Mai AJW-936, Central Service Area, Spectrum Engineering Team, Kimberly.Mai@faa.gov

NG T110223 LEXINGTON, MD and NG T110224 BLACKSTONE, VA from the Eastern Region (AEA) FAA Regional Office Received from Donald Bristol/AEA/FAA, Donald.Bristol@faa.gov

I hope this will complete our application. Sorry for the delay and thanks for your understanding and help.

R/
