Mr. Ghaffari,

Benham,

Please process this STA application in an expedited fashion. Activities related to this application will support periodic demonstrations to be held within the FCC building located at 455 12th Street, SW in Washington DC, during the month of September.

This request supports efforts to demonstrate, prototype Homeland Security related, technology being developed with NIJ grant funds in support of state ,local and tribal criminal justice communications requirements.

Best regards,

Phil Harris
