Dear Mr. Rob Marsjanik:

Please submit an exhibit describing this experiment.

Dear Staff,

I do not know what you need specifically. Our application was for an experimental license for testing a new product we have in development. Specifically, it is a multiband radio (1.6-108MHz) and is called the TTR-2101. Please advise what you need from us and I will be glad to provide it. (Mr. Marsjanik is our director of operations.)
