

**TRK 200397 (NG T200373) Summary**

| Attribute             | Record Parameter |
|-----------------------|------------------|
| Serial Number         | NG T200373       |
| Frequency             | M330.0000        |
| City                  | GREENVILLE       |
| State                 | TX               |
| Transmitter Radius    |                  |
| Transmitter Latitude  | 330422.00N       |
| Transmitter Longitude | 0960328.00W      |
| Antenna Height        | 0026             |
| Receiver Latitude     | 330422.00N       |
| Receiver Longitude    | 0960328.00W      |
| Service Type          |                  |
| Equipment Type        | C,AMR 100W1000B  |
| Antenna Type          | LOGPERIODC       |
| Flight Level          |                  |
| Runway Number         |                  |
