Your application(s) is returned for the reason(s) indicated. Operation under conditional authority must cease immediately if the reason(s) for the return indicate non-conformance with the certifications required for conditional authorization. Please make the appropriate changes and/or supply the required information and resubmit your application(s) with this Return Notice and all attachments. Corrected applications must be resubmitted to reach the Commission **at the above address** WITHIN 60 DAYS of the date of return to retain their place in the processing line. These deadlines must be met even if the application must be refiled through the coordinator. Resubmitted applications that are received beyond this prescribed time must be accompanied by a new fee and, according to Rule 90.175 (excluding Broadcast Auxiliary applicants), those requiring frequency coordination must be accompanied by new coordination if the original has expired. These applications will be handled as new applications according to the latest receipt date. General information may be obtained from the FCC's National Call Center at 1-888-225-5322.

Resubmitting your application without making all the necessary changes and/or providing the requested information will result in dismissal of your application pursuant to Section 1.934(c) for failure to prosecute.

Please provide the emission.
