Re: FCC File No. 0123-EX-ML-2012
Reference Number: 17444

To Whom It May Concern:

According to the Commission's rules 47 CFR, Part 1, § 1.1116 we qualify as fee exempt because we are a government entity.

47 CFR, Part 1, § 1.1116

§ 1.1116 General exemptions to charges.(f) Applicants, permittees or licensees who qualify as governmental entities. For purposes of this exemption a governmental entity is defined as any state, possession, city, county, town, village, municipal corporation or similar political organization or subpart thereof controlled by publicly elected or duly appointed public officials exercising sovereign direction and control over their respective communities or programs

Note: Applicants claiming exemptions under the terms of this subpart must certify as to their eligibility for the exemption through a cover letter accompanying the application or filing. This certification is not required if the applicable FCC Form requests the information justifying the exemption.

Respectfully submitted,
