To whom this may concern,

On behalf of Laurel Technologies Partnership, we respectfully submit this correspondence in response to reference number 46496 for to the experimental license renewal application submitted on February 4, 2019 for call sign WE2XQM, file number 0054-EX-CR-2019.

Please note that the renewal application submitted for the aforementioned call sign is NOT a modification application, therefore we will not require coordination with the FAA. We request that the filing be corrected to the appropriate Form 405 license renewal application at your earliest convenience.

If you have any questions or concerns about this application, please feel free to reach us at any time.
Thank you.

Respectfully,

Tenzin GGT
