To Whom It May Concern:

This is to certify that:

Layer 3 Communications, LLC deploys and/or manages radio frequency equipment.

The RF experimentation will be conducted by following a strict Test Plan defined and approved by Layer 3 Communications, LLC in a controlled environment.

Layer 3 Communications, LLC will have a Project Manager in place to specifically follow the Test Plan, track results, and publish test results.

Layer 3 Communications, LLC has extensive RF experience and expertise deploying RF networks and has a number of RF engineers on permanent staff.

For the above reasons, I believe Layer 3 Communications, LLC meets the Eligibility criteria for a Special Temporary Authority experimental license as set forth in the Commission Rules.

Sincerely,

A handwritten signature in black ink, appearing to read "Andrew Kozlowitz".
