Washington, DC 20554

I, Larry Telles, K6SPP as Trustee of the Kootenai Amateur Radio Society hereby recognize and have no objections to LCF Enterprises mentoring North Idaho STEM Charter Academy (Project DaVinci Cubesat) operating a satellite ground station transmitting at a frequency of 144.5 MHz and receiving at 432.5 MHz under an experimental license, near their facility in Post Falls, Idaho.

The ground station will not result in unacceptable interference to the local amateur operators.

Name: Larry Telles

Signature:

A handwritten signature in black ink that reads 'Larry Telles'. The signature is written in a cursive, flowing style. It is positioned over a horizontal line that serves as a baseline for the signature.

Date: March 26, 2018
