1. Identification of the specific information for which confidential treatment is sought:

The information which requires confidential treatment is in the Confidential Items List document. The document titled "Description of Operation" and the license application including the frequency, emission, power and location information are not confidential.

2. Identification of the Commission proceeding in which the information was submitted or a description of the circumstances giving rise to the submission:

Learjet Inc. submitted this application as a method to expedite a solution to a possible manufacturing and testing problem.

3. Explanation of the degree to which the information is commercial or financial, or contains a trade secret or is privileged:

The specific information for which confidential treatment is sought in this application is of commercial value.

4. Explanation of the degree to which the information concerns a service that is subject to competition:

The specific information for which confidential treatment is sought in this application is commercially competitive.

5. Explanation of how disclosure of the information could result in the substantial competitive harm:

This information would provide advantages to competitors.

6. Identification of any measures taken by the submitting party to prevent unauthorized disclosure:

All of the activities of the wholly-owned subsidiary Learjet Inc. ("Learjet") are part and parcel of the parent company Bombardier Inc. ("Bombardier") for both operating and reporting purposes. Bombardier Inc. has classified this information as "BOMBARDIER COMPANY PROPRIETARY" which makes the information available only to a small selection of people within Bombardier and only on a need to know basis.

Information marked as "BOMBARDIER COMPANY PROPRIETARY" is not for disclosure under any Access to Information or similar Laws or Otherwise without the prior written consent of Bombardier Inc.

7. Identification of whether the information is available to the public and the extent of any previous disclosure of the information to third parties:

Information marked as "Bombardier Company Proprietary" is not available to the public or third party.

8. Justification of the period during which the submitting party asserts that material should not be available for public disclosure:

Information marked as "Bombardier Company Proprietary" is not available to the public or third party.

9. Any other information that the party seeking confidential treatment believes may be useful in assessing whether its request for confidentiality should be granted:

Information marked as "Bombardier Company Proprietary" is not available to the public or third party.
