STA Confirmation # EL168173
STA File Number: 0301-EX-ST-2008

I had submitted a STA license application with the appropriate fees in March 2008 (Previous was EL508800 0024-EX-ST-2008). I had misunderstood the site heading, since it mentioned "testing and demonstration only" and my purpose to apply for the license was "testing and demonstration".

The STA license was never processed, but the payment was processed. Here is the contents of the email confirmation for the payment.

I had consulted with Nancy and she confirmed that the payment need not be resubmitted since the previous application was never processed.

Details of payment email are below

Thank You

Sincerly Yours
