Behnam - Thank you for the follow up.

Yes. Please dismiss 1083-EX-ST-2013... sorry about that draft submission.

For 1085-EX-ST-2013, please change the start date to be 1/1/2014 and submit us for the full 6 months if you can. Thanks. Also, please confirm this is for just 1 site/location.

Regards,
Norman
