

From: Geoff Stearn

To: Behnam Ghaffari

Date: April 08, 2011

Subject: FCC File No. 0236-EX-ST-2011

Message:

Mr. Ghaffari:

The April 11th start date conforms to the proposal by the U.S. Air Force for testing at the Holloman AFB. With respect to that site, LightSquared has initiated coordination already with the relevant FCC Bureaus and government agencies and believes coordination can be completed in a timely manner.

Tony Lin
Counsel for LightSquared
