Subject: Fee for 0490-EX-ST-2000

Message:

The subject application has been pending for 30 days, and as of yet no fee has been received. To complete payment for this application, please return to our electronic filing site and choose the "Add Attachments" option. Fill in your file and confirmation numbers, and when presented with the attachment upload screen, hit "Send File(s) to FCC" without actually attaching any files. This is a workaround to get to the payment server for occasions when payment isn't submitted at time of filing. On the next screen, click "Complete Submission" and you will be presented with payment instructions. Follow these instructions as normal and you should be able to effect payment at this time.

The items indicated above must be submitted before processing can continue on the above referenced application. Failure to provide the requested information within 30 days of November 17, 2000 may result in application dismissal pursuant to Section 5.67 and forfeiture of the filing fee pursuant to Section 1.1108.
