Re: **APPLICATION FOR RENEWAL OF EXPERIMENTAL RADIO
SERVICE AUTHORIZATION - STATION W2CXQD**
Lober & Walsh Engineering, Inc. d/b/a Com Dev Wireless

Dear Sir or Madam:

On behalf of Lober & Walsh Engineering, Inc. d/b/a Com Dev Wireless there is submitted herewith on FCC Form 405 an application for renewal of license for station W2CXQD in the Experimental Radio Service.

The applicant respectfully requests a two-year license period to facilitate testing and avoid the need for a series of short-term license renewal applications.

Attached to the original application is a check in the amount of \$50.00, made payable to the Federal Communications Commission, in payment of the required filing fee.

Should any questions arise with respect to this matter, please communicate directly with this office.

Very truly yours,

David L. Nace
