MAG discrete frequencies

We'd like 4 frequencies; any of the following will work for us:

365.0
365.5
366.0
366.5
367.0
367.5
368.0
368.5
369.0
369.5
370.0
370.5

We could get by with only 2 approved, but that would change our op-tempo. Let me know if you're able to work with that list.
