DISMISSED-WITHOUT PREJUDICE

Dear Sir/Madam:

This refers to application, File No. 10-EX-PL-2000, for Experimental Radio License.

You are advised that the Commission was unable to make the finding that public interest, convenience and necessity would be served by a grant of the application in the manner requested. Department of Defense policy requires that proposals for operating in the 225-399.9 MHz band under Government contract be processed through the appropriate military office.

Sincerely,

A handwritten signature in black ink, appearing to read "James R. Burtle", written in a cursive style.

James R. Burtle
