Re: New License Request

You will please find enclosed one completed copy of FCC Form 442, Application for a New Radio Station authorization Under Part 5 of the FCC Rules, with the required license processing fee, \$45.00, attached. This request is for use of Multiple Maritime frequency assignments to support a program of integration, test and demonstration of **Vessel Traffic Centers (VTC)** using off the shelf radio equipment for operations in the Maritime Band for voice and data transmissions.

The fixed station operations will be in **Liverpool, Onondaga County, NY** This where demonstrations and tests will be conducted prior to shipment for installation. The Marine utility radios will be used at various ports in the Continental U.S. for final system integration, test and final installation of the new VTC systems. If you should have any questions regarding the program, please feel free to call **Mark F. Moriarty** on (315) 456-1094 in Syracuse, NY.

If You should have any other problems or questions, please feel free to call the undersigned on (410) 682-0156.

Very Truly Yours,
