Re: Application for Modification of Existing Authorization
Call Sign: KB2XOT

You will please find attached one completed copy of FCC Form 442, Application for Modification of Existing Experimental Radio Station Authorization, other than Broadcast, with the required FCC Form 159 and FCC license processing fees attached. This request is to modify our existing radio station authorization in Moorestown, Burlington County, NJ.

You will find Exhibits attached for items 4, 6 and 7 on the application form explaining the site through a diagram and the required technical data for completing the form. If you should have any problems or questions relating to the proposed changes please contact Ed Williamson at the Moorestown facility. Questions relating to the completion of this application, please feel free to call the undersigned on **(410) 682-2156**.

Very Truly Yours,
