

Exhibit A

The following modifications are requested to the WE2XIQ license:

Correction to station location due to typographic errors:

(1) MOBILE: Electronics Park, Liverpool (ONONDAGA), NY, within 1 km, centered around NL 43-06-43; WL 76-11-18

(2) MOBILE: Syracuse (ONONDAGA), NY, within 1 km, centered around NL 43-05-**23**; WL 76-05-53

(3) MOBILE: Cazenovia (ONONDAGA), NY, within 1 km, centered around NL 42-**55-37**; WL 75-55-27

To improve detection, modify the present 3M40Q3N radar emission designator as follows:

Frequency	Station Class	Emission Designator	Authorized Power
3100-3500 MHz	MO	10M0Q3N	134 MW (ERP)

Add the following two emissions under station class "**XC**"- Developmental Testing under contract, which will operate intermittently within 1Km of the listed station locations, at power levels well below already authorized levels. These will allow testing of additional radar capabilities:

1) Frequency	Station Class	Emission Designator	Authorized Power
3100-3500 MHz	XC	400MX0N	4 KW (ERP)

2) Frequency	Station Class	Emission Designator	Authorized Power
3100-3500 MHz	XC	N0N	4 W (ERP)
