Re: Permanent Authorization Request for STA
Call Sign: WB9XTS

This application request is for the purpose of obtaining a regular Experimental Radio Station Authorization to replace the current Special Temporary Authorization, **WB9XTS**. We also respectfully request the same status regarding the classified nature of the frequencies being utilized for this program. Please see the attached statement of need for the Secret classification. All classified data is currently on file under the referenced call sign with file number 0470-EX-ST-2003.

If you do have any questions regarding the technical dat, please contact Troy Eric Johnson on (817)777-1642.

Very Truly Yours,
