Re: Modification of Existing Station License
Call Sign: KO2XBZ

You will please find enclosed one completed copy of FCC Form 442, Application for Modification of Radio Station Authorization Under Part 5, with the required FCC Form 159 and FCC processing fee, \$50.00, attached. This request is to modify our existing Experimental Radio Station Authorization **KO2XBZ** for operations at our facilities located near **Syracuse, Onondaga County, NY**.

We are requesting a change to the lower limits of the frequency band from 9400 to 9200 MHz. If you should have any problems or technical questions please contact John Wargo at our Syracuse Facilities. All other questions can be directed to the undersigned on **(410) 682-2156**.

Very Truly Yours,
