Re: Applications for Renewal of Experimental Radio Station License
Call Sign: WA2XHI & KO2XBZ

You will please find enclosed one complete copy of FCC Form 405, Application for Renewal of Experimental Radio Station License, with the required FCC Form 159 and FCC license processing fees, **\$45.00**, attached. This request is for our radio station authorization, **WA2XHI**, assigned to our facilities located near **Owego, Tioga County, NY**.

You will also find enclosed a completed FCC Form 442, Application for Renewal and Modification of existing Experimental Radio Station authorization with the required FCC Form 159 and FCC Processing fee, **\$45.00**, attached. This request is for our Experimental Station Authorization, **KO2XBZ**, assigned to our operations near **Syracuse, Onondaga County, NY**.

The Modification being requested is only to change the area of operation from Smith Hill, NY to Syracuse, NY. All other technical and administrative data remains unchanged from the previous filings for this station.

If you should have any problems or questions, please feel free to call the undersigned on **(410) 682-2156**.

Very Truly Yours,

Claude E. Wells
