Re: STA Request 0132-EX-ST-2002
Confirmation Code: EL12105

I have amended the referenced Special Temporary Authorization application, **0132-EX-ST-2002**, for UWB operations at our facilities located near Sunnyvale, Santa Clara County, CA. There was an apparent typographical error in the coordinates given, site one showed coordinate of 34° for the latitude for site one. The correct latitude should have been 37°. I have made the necessary correction to this coordinate to properly show the location at our facility. Please see the amended application for the correct coordinates.

If you should have any further questions, please feel free to call the designated contacts or the undersigned on **(410) 682-2156**.

Very Truly Yours,
