Re: New Radio Station Application w/ **Confidentiality Request**

You will please find enclosed one completed copy of FCC Form 442, Application for New Radio Station Authorization - Under Part 5 of FCC Rules, with the required FCC Form 159 and license processing fees, **\$100.00 (\$50.00 for license and \$50.00 for Confidentiality Request)**, attached. This request is for a new program utilizing the radio frequencies between 34.5 and 35.5 GHz at our facilities located near **Orlando and Bithlo, Orange County, FL.**

The only attachment with this application explains in detail what the goals and plans are for this program. It also expresses the desires of **Lockheed Martin Corporation** and the program specifically to hold any details relating to goals, methodology and specific details of the program Confidential. This request is also based on **export controls** and its **competition/proprietary nature**. If you have any questions relating to the program, please feel free to contact Bob Werta on (407) 356-0743. If you have any questions relating to completion of this application, please contact the undersigned on (410) 682-2156.

Very Truly Yours,
