Re: New Station Application

You will please find enclosed one completed copy of the electronic FCC Form 442, Application for Experimental Radio Station Authorization, under Part 5 Other than Broadcast, with the required Electronic 159 and license processing fees, **\$50.00**, attached. This request is for specialized communications equipment to be used to communication between ground operations and aircraft conducting tests of radar systems under a government contract.

If you have questions relating to the proposed system, please feel free to contract Brian Budwey on (315) 456-2051 or his assistant Jeff Luban on (315) 456-3394. Any questions relating to the completion of this application can be directed to the undersigned on (410) 682-2156.

Very Truly Yours,
