Re: Experimental Radio License Application
Call Sign: KK2XJO File No.: 5222-EX-RR-1998

You will please find enclosed one completed copy of FCC Form 442, Application for Radio Station Authorization Under Part 5 of FCC Rules – Experimental Radio Service, with the required FCC Form 159 and FCC regulatory fees, \$45.00, attached. This application is actually for the re-instatement of a recently expired, 01 June 2000, radio station authorization, **KK2XJO**, for operations at multiple sites located in AZ, FL and MD.

We have attached a copy of the expired radio station authorization for your information and review. All technical and administrative parameters are unchanged from the previous grant. If you should have any problems or questions regarding the technical information, please call Skip Lentz on (407) 356-6707. Any other questions regarding this application, please contact the undersigned on (410) 682-2156.

Very Truly Yours,

Claude E. Wells
