Message:

Dear Mr. Richard Handweg:

The Transmitter section of this application should contain three antennas, one for each location, instead of only one antenna which is currently has. You may report the areas as a geographical coordinate for a fixed operation, a geographical coordinate with a radius in kilometers for mobile operations within a circle or four geographical coordinates comprising a rectangle in which mobile operations will be performed. Be sure to convert the decimal portions of the geographical coordinates into minutes and seconds.

The items indicated above must be submitted before processing can continue on the above referenced application. Failure to provide the requested information within 30 days of August 09, 2005 may result in application dismissal pursuant to Section 5.67 and forfeiture of the filing fee pursuant to Section 1.1108.
