

WC2XWZ Contract Information

A 24 month renewal is requested to maintain fielded ship traffic management systems and radar sensors under the following contracts:

Coast Guard Support Contract # HSHQDC06-D-00018, order number HSCG23-09-J-TED730.

SPAWAR Contract #N00039-08-D-0012, where Lockheed Martin is a major subcontractor to Forward Slope Inc. with the Commander of Space and Naval Warfare Systems Command (SPAWAR), for the north Africa Surveillance System Technology Upgrades.

In addition, radar sensor operation is intended for technology upgrade demonstrations to potential customers in coastal monitoring and security industries, integration evaluation, software testing, and USG/international client proposals using LMC funding.

Contract Listed under current WC2XWZ special condition (3): "DTCG23-98-R-AVT006" is closed and should be removed.
