

WD2XAW Contract Information

A Modification to add a Lockheed Martin existing test facility to WD2XAW license is needed to support the following government contracts:

Coast Guard Support Contract # HSHQDC06-D-00018, order number HSCG23-09-J-TED730.

SPAWAR Contract #N00039-08-D-0012, where Lockheed Martin is a major subcontractor to Forward Slope Inc. with the Commander of Space and Naval Warfare Systems Command (SPAWAR), for the north Africa Surveillance System Technology Upgrades.

In addition, site is intended to be used for technology demonstrations to potential customers in coastal monitoring and security industries, integration evaluation, software testing, and USG/ international client proposals.
