Message:

Mr. Witt,

A special condition (7) restricts any operations in frequency band 1215-1240 MHz. There are other government's operations in and around the requested areas aside from the FAA's in which it may cause harmful interferences to those federal operations. Would you like to withdrawal your application?

The items indicated above must be submitted before processing can continue on the above referenced application. Failure to provide the requested information within 30 days of May 03, 2010 may result in application dismissal pursuant to Section 5.67 and forfeiture of the filing fee pursuant to Section 1.1108.
