Re: New Experimental Authorization Request

You will please find enclosed one completed FCC Form 442, Application for New Radio Station Authorization Under Part 5 – Experimental Radio Service, with the required FCC Form 159 and FCC license processing fee, **\$45.00**, attached. This request is for operations between 21.2 and 23.6 Ghz in the vicinity of our facilities located near **Milpitas, Santa Clara County, CA.**

You will find attached to the application one exhibit which explains the purpose of this request. If you should have any technical questions regarding this program, please contact **Jeff Shamblin** on (408) 473-6477 or you can email him at jeff.shamblin@lmco.com. All other questions regarding this application can be directed to the undersigned on (410) 682-2156.

Very Truly Yours,

Claude E. Wells
