Per your email below since 0266-EX-PL-2010 is no longer needed then would you like to withdraw it?

0267-ex-pl-2010 is replacing 0266-ex-pl-2010, as the program is saying some of the materials relating to their testing are highly classified. I am going to send them the link to review the application before I have them pay for it. So it may be tomorrow before they pay for it.

Claude
