Re: Renewal of Existing Radio Station Authorization
Call Sign: KM2XIP **File No.:** 5483-EX-RR-1998

You will please find enclosed a completed copy of FCC Form 405, Application for the renewal of Radio Station License in Specified Services, with the required FCC Form 159 and FCC license processing fees, **\$50.00**, attached. This request is for the renewal of our station KM2XIP operating at our facilities located near **Huntsville, Madison County, AL**.

This is another request that was affected by the errors made in the financial offices in Orlando. They issued the check and submitted it directly to the Pittsburgh address without paper work. I only just received the corrected check for filing. I respectfully request for you to process this application even though the expiration date has passed. If you should have any problems or questions, please feel free to call the undersigned on **(410) 682-2156**.

Very Truly Yours,
