

FAA Coordination
Northwest Mountain and Southwest

Mr. Hay,

Here is the assignment coordination, NG T110272

Thanks,

A. Wafi Gazi, P. E.
Electronics Engineer
CSA Spectrum Engineering Team, AJW-936
817 222 4796

This is the FAA Northwest Mountain coordination for supporting the experimental license to test the SMSS. The coordination number is NG T110267. Please notify me prior to testing and provide a point of contact in case RF spurious from the SMSS affecting our RADARs in CO.

Regards,

Vu Pham
Spectrum Engineer
WSA Spectrum Engineering Team
