Re: Special Temporary Authorization Request
Call Sign: KB2XSS

We, the Lockheed Martin Corporation, are requesting a Special Temporary Authorization under our existing call sign KB2XSS for the TIROS Program. The testing being proposed will be taking place at our facilities located near King of Prussia, Montgomery County, PA.

The information for the proposed testing is as follows:

Program: TIROS
Frequency: 466 Mhz
Date needed: ASAP through November 30, 1999
Power Level: 100 milliwatts max.
A. U. T.: Full scale TIROS Model
Location: King of Prussia, Montgomery County, PA
40°05'35" N.; 075°23'47" W.
Call Sign: KB2XSS
Contacts: Jim O'Neill (215) 497-1478
Richard Mayberry (215) 497-1485
Steve DiPiano (610) 354-1846/4161
Reason: This is a full scale model testing to support evaluation of an Antenna model to Meet new customer requirements.

If you have any problems or questions, regarding the proposed tests being conducted, please feel free to call one of the listed contacts. If you should have any other problems or questions, regarding this request, please feel free to call the undersigned on (410) 682-2156.

Very Truly Yours,

A handwritten signature in black ink, appearing to read "Claude E. Wells", with a large, stylized circular flourish at the end.
