Cheryl:

I have called Michael Crowe at the FCC at 1:22 PM today. I was not able to speak with him directly so I left a voice mail message indicating we completed the FAX of the two classified documents this morning. I also indicated we require a signed copy of the External Transfer Sheet from the FCC to complete the Classified transaction.

I will keep you posted.

Thank you,
Bill Mulqueen

P.S. For future reference Michael Crowe's office Phone number at the FCC is: 202-418-2863

Hello Bill,

I have not yet received back a signed copy of the External Transfer sheet from the FCC and need that to complete the transaction. Could you call your point of contact there and ask them to send it to me now? My fax is 856-638-4322. Or they are welcome to also scan/email it me if they wish. Please let me know what you find out. Thank you!

Best Regards,
