

Antenna Data

L Band System – 902 to 960 MHz

(b) Orientation in horizontal plane: 146-deg 56-min southeast of north (See attached document: horizontal_drawing_20110719.jpg)

(c) Orientation in vertical plane: 0.0-deg elevation (parallel to ground-reflection plane) at height of 4.877-m (See attached document: vertical_drawing_L_20110718.jpg)
