Re: Modification of WC9XGJ

We, the Lockheed Martin Corporation, respectfully request the modification of the existing authorization WC9XGJ, file number 0474-EX-ST-2005. We are requesting the addition of an additional test range for the operation and demonstration of the JTRS system. The additional location will be in Goodyear, Maricopa County, AZ.

All technical parameters are the same as previously approved under the existing authorization. The point of contact will also remain the same for the existing program test area. If you have any technical questions please contact **Dan Cuning LM IS&S DoD Systems, Manassas Va. AMF JTRS Program Management Office: 703-367-4397 Cell: 240-506-3687**

Very Truly Yours,
