Message:

Mr. Jordan Thomas,

Please report the names of the satellites to which transmissions will be made (points-of-communication).

Along with each name, the following must be reported:

For geostationary satellites report their longitude, gain, beamwidth and coverage (earth coverage or narrowbeam coverage).

For non-geostationary satellites report their antenna polarization, coverage (earth coverage or narrowbeam coverage), gain and beamwidth.

The items indicated above must be submitted before processing can continue on the above referenced application. Failure to provide the requested information within 30 days of January 22, 2008 may result in application dismissal pursuant to Section 5.67 and forfeiture of the filing fee pursuant to Section 1.1108.
