DISMISSED-WITHOUT PREJUDICE

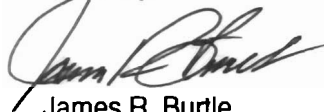

Dear Claude E. Wells,

This refers to application, File No. 0554-EX-PL-2007, for an experimental authorization.

You are advised that the Commission is unable to grant your application for the facilities requested. This application was dismissed due to a failure to report the satellite antenna gain and beamwidth as requested in the Commission correspondence dated January 22, 2008. Should the Lockheed Martin Corporation decide to resubmit an application for similar experiments in the future, it is advised to obtain and report along with such filings the satellite antenna gain and beamwidth in accordance with NTIA Manual of Regulations and Procedures for Federal Radio Frequency Management, Chapter 9.8.2 38. d. (2) (a) and (b).

Responses to this correspondence must contain the Reference number : 6159

Sincerely,

A handwritten signature in black ink, appearing to read "James R. Burtle", is written over a light gray rectangular background.
