

FAA Coordination

This Special Temporary Authorization request is coordinated with the FAA South West Regional office:

Hill Air Force Base, Utah, station coordinates NL 41-07-19, WL 111-56-47 within 1km:

Emission Designator	Frequency	FAA Coordination
28M0W0N	1275MHz	NG T120265
39M0W0N	1372.5MHz	NG T120266

Note this FAA coordination is contingent on the following restrictions:

- 1) RF blanking from 132 deg to 143 deg true north.
- 2) Pulse Repetition Rate: 0 Hz
