You have an experimental license under call sign WF2XGA for the same exact operation and parameters (e.g. location, ERP, emission, equipment, etc.), perhaps for a different contract. However, the referenced license (WF2XGA) will be expired (10/1/2014) shortly. Please explain your filing under File No. 0700-EX-PL-2014 instead of renewing your current license.

The items indicated above must be submitted before processing can continue on the above referenced application. Failure to provide the requested information within 30 days of October 02, 2014 may result in application dismissal pursuant to Section 5.67 and forfeiture of the filing fee pursuant to Section 1.1108.
